About N.B International

Established in 2017, N.B International is an importer, manufacturer and exporter of home textiles and garments based in Faisalabad, Pakistan.

We operate our own stitching and production facility, equipped with approximately 200 machines. Our team works with buyers to translate their product requirements into manufacturing specifications, supporting development from sampling through to bulk production.

Our portfolio includes bedding and mattress protection products, children's clothing, casualwear and smart garments. We offer custom manufacturing support across materials, designs, measurements, labelling and packaging.

With established export experience in the United Kingdom, we understand the importance of clear communication, consistent product quality and dependable delivery. We aim to build lasting relationships with buyers and brands as we develop our international business.

Custom details for your collection

We consider the details of the proposed range together, from materials and measurements to labels and packaging, so that the manufacturing brief is clear before production begins.

04

Manufacturing capability

N.B International operates its own stitching and production facility in Faisalabad, supported by approximately 200 machines and an experienced team. Our approach combines production flexibility with attention to each buyer's requirements.

Custom manufacturing

We support customers across the following stages and specifications:

- Product specifications
- Custom designs
- Fabric and material requirements
- Sizes and measurements
- Product development and sampling
- Custom labelling
- Packaging requirements
- Bulk production

Sampling gives buyers an opportunity to review product details before bulk manufacture. Please discuss minimum order quantities, sampling arrangements and delivery requirements with our team.

05

Quality and working process

Consistent quality is central to our manufacturing approach and to maintaining long-term customer relationships. We focus on understanding the agreed product requirements and maintaining attention to quality throughout production.

Clear specifications and practical communication help our team and the buyer establish a shared understanding of the order. We are committed to improving our manufacturing capabilities and to responsible production.

Leadership and contact

Message from the CEO

Welcome to N.B International.

Since our establishment in 2017, we have focused on developing our home textile and garment business through attention to customer requirements, product quality and reliable service.

Every buyer has different expectations. Our role is to listen carefully, clarify the product brief and provide manufacturing support that reflects those needs. Our own production facility and experienced team give us a foundation on which to continue improving.

As we develop our international business, our priority is to build lasting relationships through clear communication and consistent performance. Thank you for your interest in N.B International. We welcome the opportunity to discuss your requirements.
